Oral Presentation
Review Sheet

Due within 2 days of the presentation - submit via email to kenrick@uaa.alaska.edu
You will also have to review your own presentation from video when it is available.

Please be candid with your review. The purpose of the review is to help the presenter
give a more effective presentation. The identify of each reviewer will not be divulged to
the presenter. You are expected to watch the video of your own presentation and
complete a form for yourself.

Name of presenter:

Title of presentation:

Comment on the structure and content of the presentation.
   Was there a strong opening and conclusion?
   Too much information, or not enough?
   Logical structure to the presentation?

Comment on the presentation itself.
   Was the language easy to understand?
   Good contact with audience?
   Visual aids easy to read and appropriate?

Comment on your general impressions of the entire presentation and give any suggestions
for improvement, either in terms of the presentation or the technical content.
